

Borrow £10,000 to £500,000 from 4.3% per year

Business loans from Funding Circle

To help more businesses continue to get access to finance, Funding Circle is offering new business loans including loans under the **Government's Recovery Loan Scheme (RLS)**.

We will handle the application for you and you will get a decision in as little as 5 hours. There are also **no fees for full early repayment** and all their loans are fixed rate, so you can plan with confidence.

Key features:

Borrow between £10,000 to £500,000

Rates between 4.3% – 12.1% per year

Terms from 2 to 6 years

No early settlement fees

Who is eligible:

- Minimum of 2 years' trading history
- Limited company or limited liability partnership
- Loan is for business purposes (eg. working capital or growth)

Documents required:

- Business bank statements
- Latest full unabbreviated accounts

In addition, for a loan under the Recovery Loan Scheme (RLS):

- Business needs to have been impacted by coronavirus
- Business is trading in the UK

A key aim of the RLS scheme is to improve the terms on offer to businesses. If Funding Circle can offer you a business loan on similar or better terms without RLS, they will do so.
